## UNITY DAY 2021

## **Unity with Diversity**

February 27, 2021
Saturday: 9:30 – 11:00 am EST

Our common welfare should come first; personal recovery depends upon OA unity (Tradition 1, OA 12&12).

Unity does not mean uniformity. In OA, we learn we can disagree with other people on important issues and still be supportive friends. We listen to others with open minds, and we learn to express ourselves without insisting that everyone must do things our way (OA 12&12).

Join us for this workshop and hear how members embody unity with diversity in their daily lives.
